

**Mycenax Biotech Inc.**

**Measures taken to address risks or opportunities in the community**

1. Mycenax actively sends representatives to participate in business events and lectures. In addition to attracting potential customers and partners, this also demonstrates the company's social responsibility, enhancing social recognition. The lecture sessions for 2024 are listed in the table below.

Month of the event	Organizer	Name	Location
2024/08	Taiwan BIO Industry Organization	Industry Exchange Forum	Taipei
2024/12	"Business Next" and the learning platform "School of business " under the Media Group.	Sustainable Development Strategies in the Digital Age	Taipei

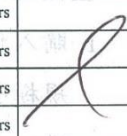

**2. Participation in the Old Shoes for Life Donation Drive**

In October 2024, Mycenax participated in the Old Shoes for Life donation drive to help children in Africa, collecting clothes, shoes, and bags.

3. To create employment opportunities at various operational locations, promote socioeconomic development, and reduce carbon emissions caused by employee relocations, Mycenax contributes to lowering the company's carbon footprint and achieving sustainable development. As of December 2024, 65% of the workforce is employed at the company's operational locations in Taipei, Hsinchu, and Miaoli.
